SEAMLESS | EASY TO CLEAN | GROUT FREE | HARD WEARING

Redefining the coatings industry

All Purpose Coatings have worked hand in hand with our network of installers & specifiers, research & development department and our sales team to achieve the highest standard of epoxy and urethane products and systems Australia has to offer.

All Purpose Coatings have a full range of Australian Manufactured and APAS (Australian Paint Approval Scheme) approved products.

APC has a number of team members who are qualified and licensed in protective coatings, waterproofing and carpentry who offer a fresh approach to protective coatings and a hands-on approach from a history of success.

APAS Approved products:

EPO100T® Tinted Epoxy

500L LIQUATHANE®
